OVERVIEW

A multi-talented auteur (otherwise known as a *Human Swiss Army Knife*), I excel in Directing multiple production and post-production roles. Whether it's overseeing a client project with a tight budget and looming deadline, leading a talented production team through the rigors of a demanding shoot, or making the hard cuts seem relatively easy, I consistently deliver projects above and beyond expectations by dedicating myself to excellence.

TECHNICAL SKILLS

15 years of experience and proficiency in several NLE Systems and Graphic Design: Avid MC, Final Cut Pro, Sony Vegas, Adobe Photoshop, Adobe After Effects, Sony Acid, DVD Studio Pro.
